1. Introduction

This document sets out CGS (UK) strategic approach to Health and Safety management. It contains the Statement of Intent that outlines the Group's commitment towards Health and Safety and describes the associated organisational responsibilities and arrangements in place to ensure this commitment is realised.

The management system is subject to review and improvements on a regular basis, in line with changes to any duties, responsibilities, processes and practices, systems of work and any of the Group's activities.

For the purpose of this UK Health and Safety Policy and the corresponding Management of Health and Safety, 'CGS' encompasses all independent schools within the CGS Group. Appendix A in this policy outlines all brands covered by this policy.

2. Health & Safety Policy Statement

CATS Global Schools recognises and accepts all its legal responsibilities and moral duties and is committed to complying with relevant Health and Safety legislation. CATS Global Schools is committed to conducting its business in a way that protects and ensures the Health and Safety of its employees, clients, visitors, contractors, and others who may be affected by any of the company's operations. Health and Safety are an integral part of our activities and whilst the Senior Leadership Team takes overall responsibility, all directors, managers and employees share the responsibility for implementing this policy. The responsibilities include:

- Undertaking risk assessments in order to review the Health and Safety of all activities
- Maintaining the workplace in a safe condition, including safe access and providing adequate facilities and arrangements for welfare at work
- Providing suitable equipment, which is properly maintained and safe
- Controlling the use of hazardous and dangerous substances
- Ensuring safety and health in connection with the use, handling, storage and transport of articles
- Providing such information, instructions, training and supervision as is necessary to ensure the Health and Safety at work of our employees, students and other persons
- Maintaining arrangements for emergency response including fire and medical emergencies
- Investigating all incidences of injury, near miss, unsafe conditions, and work-related ill health
- Consulting with employees on Health and Safety matters
- Ensuring that the company has access to competent Health and Safety advice through the employment and training of key personnel in Health and Safety qualifications

CATS Global Schools is committed to maintaining a working environment where all its employees are conscious of Health and Safety and feel that they have a responsibility, and are free and able to contribute, towards the ongoing development and improvement of the company's Health and Safety Policy. This Statement and the Arrangements within this document are brought to the attention of all employees. They will be reviewed on a regular basis, and amended or revised as appropriate, in accordance with changes in legislation, best practice or changes in practice following engagement with employees. Any changes will be communicated across the Group for implementation.

- Ensure that risk assessments are in place, followed, communicated, and regularly updated.
- Represent employees in dealing with Health and Safety inspectors (HSE inspectors)
- Receive certain information from inspectors
- Attend Health and Safety meetings
- Union appointed representatives must be paid for the time necessary to carry out their role and for any training; the trade union involved will offer training and will usually meet the costs of this training. Union reps should be included in the site Health and Safety meetings, as they will represent the Health and Safety interests of union members at the site.

5. Health and Safety Committee

To ensure that Health and Safety information is shared throughout the Group in the UK, horizontally and vertically, committee meetings are held three times a year and are chaired by the Managing Director Schools. The purpose of this Committee structure is to share best practice, improve communication and to approve and implement new procedures and policy. Operations Managers will attend meetings, with attendance from senior management.

5.1 Structure

5.2 Site level meetings

These meetings are held on Sites and encompass all personnel who contribute towards Health and Safety across the site, including the Head, Operations Manager and the Health and Safety Champion.

6. Health and Safety Arrangements

The detailed arrangements for Health and Safety management are set out separately within the organisations management policies. These policies form the foundation of the CATS Global Schools Health and Safety Management System, these policies are a minimum standard required for internal assurance, there may be some areas of the organisation that require enhanced levels of compliance to satisfy external audit. The policies are developed with transparency and engagement to an agreed process as follows:

- Drafting by CATS Global Schools by the Managing Director Schools, in conjunction with appropriate business areas and if required external consultants
- Reviewed and discussed at Group Health and Safety committees
- Approved by the CATS Global Schools Health and Safety Steering Committee
- Published and launched by Group Director of Property and Operations

The policies will be reviewed as detailed in each policy or sooner where there are legislative changes, new Health and Safety guidance or changes in business activities or procedures.

7. Health and Safety Communications

This section sets out the way that the organisation aims to communicate with regards Health and Safety. It outlines the methods and the frequencies that will be used in order to achieve these aims in an effective and efficient way.

7.1 Communication Objectives

- To actively improve the way in which the Group communicates with regards Health and Safety
- To support effective implementation of CATS Global Schools Health and Safety policy, strategy and associated policies, procedures and guidance.
- To support the engagement of all departments in Health and Safety by setting out the means for developing and implementing a range of internal communication methods.
- To identify and develop Health and Safety campaigns aimed at increasing employee and student participation.

7.2 Target Audiences

Internal

- Schools
- Head Office and other administration/sales offices
- Employees
- Students
- Visitors

External

- Neighbouring businesses and residential properties
- Enforcing agencies for example, HSE, Fire Service
- Landlords
- Contractors

7.3 Communication Principles

To ensure a consistent style and approach, Health and Safety communication should be:

- In plain language that is understandable by all

- Clear and avoiding the use of unnecessary jargon and acronyms
- In an appropriate tone and format that is positive, courteous and helpful, and that uses images where possible
- Encouraging of receiving constructive feedback and criticism
- In the most appropriate media for conveying the information, e.g., email, telephone, face to face meetings, posters, newsletters, web links, campaigns, etc

This table illustrates possible communication methods:

8. Training and Competence

To support the development of Health and Safety competence our employees the Group has a Health and Safety Training Programme/Matrix.

The Health and Safety Training Programme and Matrix identifies training which is both statutory and mandatory for employees to attend. Statutory training is classified as training which is a legal requirement under Health and Safety law. Mandatory training is defined as training which is a requirement of the Group.

The Organisation's Health and Safety Training Programme and Matrix will ensure that:

- The training needs analysis of employee's groups has been identified and is targeted accordingly – clearly identifying those to which mandatory attendance is required
- The identification of the frequency for refresher training, and the method of delivery e.g., face to face, e-Learning, cascade training etc
- All training courses are supported by course descriptors to provide sufficient information to delegates in terms of course aim and objectives
- All courses are evaluated to continually improve and identify Health and Safety training need, value, and effectiveness
- It is regularly updated as and when further training is identified as required to further develop the system

9. Monitoring of Health and Safety Performance

Group compliance with legislation and Group Health and Safety policy will be undertaken and monitored. This is required to ensure a consistent approach and promote continual improvement throughout the Group.

- **Workplace Inspection** – scheduled inspections of workplaces/areas carried out by Principals and Health and Safety Champions, Operation Managers and external Health and Safety Consultants
- **Safety Sampling** – Each Operations Manager will audit each geographical location on a 6 monthly basis to ensure compliance with Health and Safety
- **Audit (Assurance Review)** – Conducted by external Health and Safety Consultants,
- **Utilising standard audit protocols** - Subsequent Reports are issued to the Group Director of Property and Operations/Group Operations Manager and the Managing Director Schools. Site Operations Managers and the Group Director of Property and Operations will devise an action Plan to ensure implementation of any identified improvements. A programme of monitoring completion of actions will be implemented and agreed.
- **Health and Safety Review** – Principals, Department Heads and Line Managers annually review their Health and Safety position
- **Statistics** – Trend analysis and sector benchmarking of workplace accidents, near misses, incidents and work-related ill health to define, measure and compare patterns and progress in Health and Safety practice

10. Reporting of Health and Safety Performance

There is a need for the Group to ensure that the objectives of its Health and Safety Policy are met and furthermore that there is sufficient data/information to enable informed decisions in its efforts to continually improve Health and Safety performance.

An annual Health and Safety report will be produced for presentation to the Group Executiveboard, this report will cover:

- Health and Safety Management
- Training and Development
- Key Health and Safety Activities
- Group Health and Safety performance including accident, near miss and incident reporting
- Future Plans and Goals

The Annual Report will include the requirement for the CEO sign the Group's Health and Safety Policy Statement on behalf of the Executive Board if there are any changes to the policy or it is due for its annual review.

11. Near-Miss, Accident and Incident Reporting and Monitoring

The Group requires all its employees, students and third parties, to report accidents, near misses and incidents that occur when at any CATS Global Schools location or otherwise involved in its activities.

To ensure the reporting and investigation of accidents, near misses and incidents the Group has accident and near miss/incident reporting forms and a supporting Accident, Near Miss and Incident Reporting Policy. Reporting,

Investigation and Monitoring ensures that:

- All accidents, however small, which happen to the employees or student whilst on CGS premises, or when carrying/participating in Group activities
- Prompt action is taken to control risks appropriately in the aftermath of an accident, near miss or incident
- Person(s) injured following an accident receive treatment from first aider etc. if/as appropriate
- Where ill health is attributed to work/work activities that these are reported to the HR team and Group Director of Property and Operations
- Reporting Forms are readily accessible through electronic reporting; where this is not practicable the form is readily downloadable and is located on the G drive Health and Safety, accident, near miss and incident folder

Any event will be investigated by the appropriate Health and Safety responsible person/initially, supported wherever needed by the Site Operations Manager. For more serious events, the Group Director or Property and Operations will co-investigate and produce a detailed investigation report.
